

**WARREN NORTH BASKETBALL
HANDBOOK / PARKS AND REC AGREEMENT FORM**

As a coach and volunteer in youth sports, we need to be great role models as the youth is our future. These children will never forget us as we set the up for a positive experience and lead by example.

I have read through the WNBL 2025-2026 Handbook and Warren County parks and rec coaches packet. I understand everything completely and agree to all terms. I also understand and agree with the punishment for all actions. As a volunteer, I will do my best in coaching these kids the best i can and will treat everyone respectably. I will handle all situations in a professional and timely manner. I will address all board members, commissioners, officials, scorekeepers, opposing coaches, parents, warren county parks and rec employees, etc with respect if a situation does occur.
